Degrees in the Arts: How to help creative students find, apply for, and get into schools that will set them up for professional success

1. What are the biggest **myths** about pursuing a degree in the arts?
2. What are some surprisingly common careers that students with art degrees pursue?
3. How can students choose a **school** that will set them up for success in the field?
4. How can students improve their chances of getting **admitted** to their top choice school?
5. What can students do ONCE they are in school in order to maximize their chances of **succeeding** in the field?
6. What are some of Carrie's tips to students building their **portfolios**?
