4 Keys to creating an amazing college essay (...even if you don't think you're a great writer)

1. What are some of the most common **mistakes** students make when writing their essays?
2. What are colleges **actually** looking for with the essay?
3. How can your teen get started if they have NO idea what to write about?
4. Are there any topics they shouldn't write about?
5. What are the different types of essays, and how should your teen approach each different one?
