**Campus Visits: Which schools to visit, when to go, and how to make the most of your time**

1. Why shouldn't you go on campus visits during summer? When is the BEST TIME to visit a campus?
2. At what point in the college search process should you begin campus visits?
3. What are some of the most important things for you to pay attention to on these visits?
4. What are some questions you should be asking tour guides during campus visits?
5. What research should you do before you get to campus?
