College Accommodations & Success Strategies for Students with ADHD

1. What are some of the biggest **challenges** students with ADHD encounter when transitioning to college?
2. How can you find out which schools have the **best** support services?
3. What are the **biggest differences** between getting accommodations in high school and college?
4. What can you do if your teen is **hesitant** to set up accommodations?
5. What are some **pros and cons** of taking a “medication vacation” when transitioning to college?
6. What can you do **after** your teen gets to campus, to make sure you’re aware of what is going on?
7. How can you know if your teen is **really ready** to transition to college? And what should you do if they’re not?
