Pros vs. Cons of Applying Early: How to decide if it's the right choice for your teen

1. What is "regular" decision timeline?
2. What are the different types of early admission?
3. What are the BENEFITS of applying early?
4. What are the drawbacks?
5. Who is early admission BEST for?
6. How does financial aid play into this process?
7. If you're applying early, should you still prepare your other applications, in case you don't get in?
